Dear Ski & Snowboard Friends,  
Dear Interbourse Family,

the time has finally come: For more than a year, we have been planning almost daily with great dedication and passion to create an unforgettable experience for all of you.

We would like to extend our sincere thanks to all our sponsors for their generous financial support, which has made this event possible. We are equally grateful to everyone who has supported us along the way with advice, hands-on help, and encouragement.

A very special thank you goes to Liam, who has been working tirelessly behind the scenes, supporting us with all technical aspects, the website, and much more. His contribution has been invaluable.

We are truly looking forward to the days ahead and to sharing this special event with you all.

# Match elevator pitch - new defined Making

As part of this exciting financial networking event, we're introducing a unique twist:

our matchmaking and Elevator Pitch 2.0 right on the ski lift!

To make it even more engaging, we've set up three flags at the base of Sonnenlift 1:

**Red: classic asset classes**

**Yellow: asset classes of the future**

**Green: open to new, flexible opportunities**

Simply pick the flag that resonates with you, connect with like-minded professionals, and enjoy the ride up the mountain together. If you find someone already at your chosen flag, join them, share a quick toast, and let the networking begin naturally. Get a chance to start a business.

The flags are your gateway to meaningful conversations, valuable connections, and exciting collaborative opportunities – all while enjoying the alpine atmosphere!

*Alpine Magic*

*meets* Traders Night

The evening's theme is Alpine Magic meets Traders Night.

That means: come dressed in alpine-style outfits or in trader style like on the trading floor – creative, elegant, sporty, or casual. Wear whatever fits the theme and makes you feel great.

For a relaxed journey, we have organized shuttle buses that will take us from Obertauern directly to the Kringsalm (Meeting points will follow). From the bus drop-off point, we'll walk a around 30 meters through the snow together until we reach the terrace, where you'll be welcomed with mulled wine and other warm treats.

Once everyone has arrived by shuttle, we will go inside and you'll find your team name on each table.

For the starter, please help yourself at the buffet with a choice of soup or salad. The main course and dessert will be served at the table.

After the main course, the umbrella bar opens with music and cocktails. If you prefer to stay seated at your table and enjoy the evening at your own pace, that's absolutely fine – it's entirely up to you.

Between the main course and dessert, we will also hold the award ceremony and the charity donation handover.

To capture the memories, our photobooth will be available on site – take pictures and bring home unforgettable moments from the night.

Buses back to Obertauern will be available from 9:30 PM. They will run flexibly, departing as soon as each bus is full.

Team Munich can't wait to celebrate with you!
