— WORLD'S SKI CAPITAL —

INTERBOURSE
IB2027

23/1/2027 – 30/1/2027

Courchevel, France

Organized by Team Paris

Dear Interbourse Family,

Autumn is with us, the days are cooling down and the resort of Courchevel is gearing up for the Winter season 2026-7, celebrating its 80th birthday!

This means there are now less than 95 days to go before the Courchevel 2027 Interbourse edition. It is now time to finalize – if not already done - your registration and accommodation arrangements for the week and think about your transfer to Courchevel and your ski pass!

Despite reaching a grand age, Courchevel is still looking to the future, with improvements and renovations each season.

Over and above new hotels and restaurants, new resort features this season will be: (all these, interestingly, are likely to be directly relevant to our group)

- A 300m2 south facing terrasse at the summit of the Chenus gondola lift with a breathtaking view
- The upgrade of the Tania gondola lift with panoramic cabins and better seating
- The addition of a light display in the forest of the “Fera Lumia” sledge run between 1850 and Courchevel village.

Kind regards,
Eric & Tracey

Meet the people behind the scenes at Courchevel

Bruno Tuaire

Director of the Courchevel Club des Sports

Angélique Goetz Tuaire

Events & Communication Manager at Courchevel Club des Sports

Last month, we introduced our partners at the tourist office, Guillaume and Charlotte.

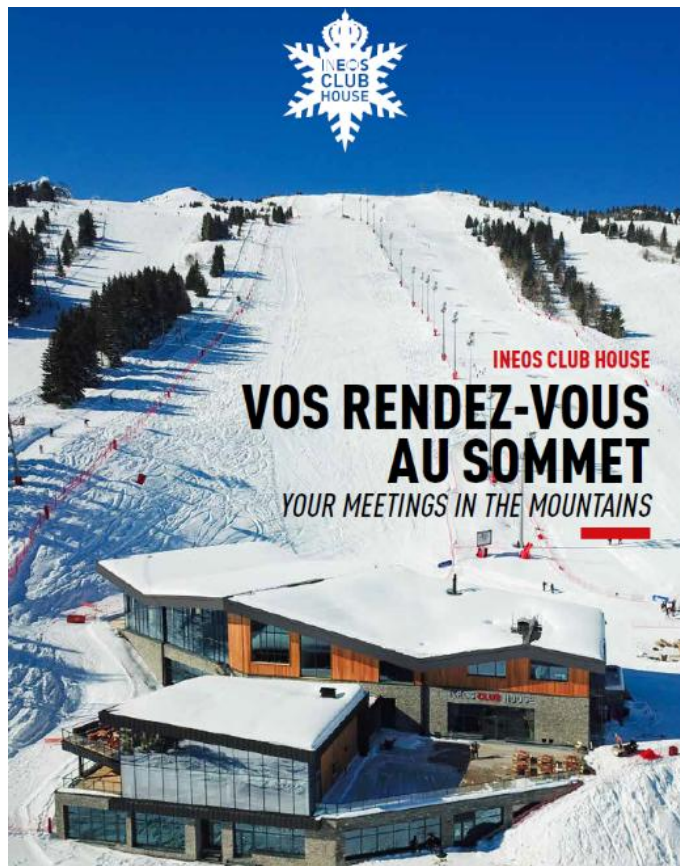

This month, please be introduced to the Director, Bruno Tuaire, and the Events & Communication Manager, Angélique Goetz of the Club des Sports who have formed the backbone of the IB2027 project since its inception, not forgetting Cédric Colaert, President, who made the initial introductions.

The project would be nowhere without their help and expertise. We thank you for all your support and enthusiasm and your hard work to date and to come still.

In the next issue, you will be introduced to those responsible for the operation of individual events:

- Nicolas Bal (Manager of the Courchevel Ski Jumps),
- Pascal Leffondré (Manager of the Courchevel Ice Rink),
- Sebastien Santon (Manager of the Courchevel Ski Races),
- Jean-Pierre Lalanne (Commercial Director of the S3V - Société des 3 Vallées – Ski lifts),
- Aymerick Mermoz (Head of Sporting & Cultural events at Courchevel Town Hall),
- Luc Bonnefond (Director of Courchevel Aquamotion – Aquatic Center).

The Courchevel Club des Sports is located in the fabulous Ineos Club House building, which will host many Interbourse events during the week.

Located on the slopes and opened in 2021, at the foot of the Emile Allais slalom stadium, the Ineos Club House dominates the village of Courchevel. Its unique location makes it the ideal location for the Club des Sports de Courchevel, one of the the best ski clubs in France which has trained several champions, Alexis Pinturault being amongst the most famous.

It is a custom-built space focused on skiing and sport in general, in the heart of the largest ski area in the world. Its modern architecture and privileged location make the Ineos Club House the ideal place to host sporting events, be they professional or private, and will be the main infrastructure used by Interbourse 2027. The Ineos Club House will be used by the Women's Alpine Ski World Cup for the Night Slalom on December 22nd, 2026.

We will be expecting you there on Saturday 23rd January for the Registration Event!

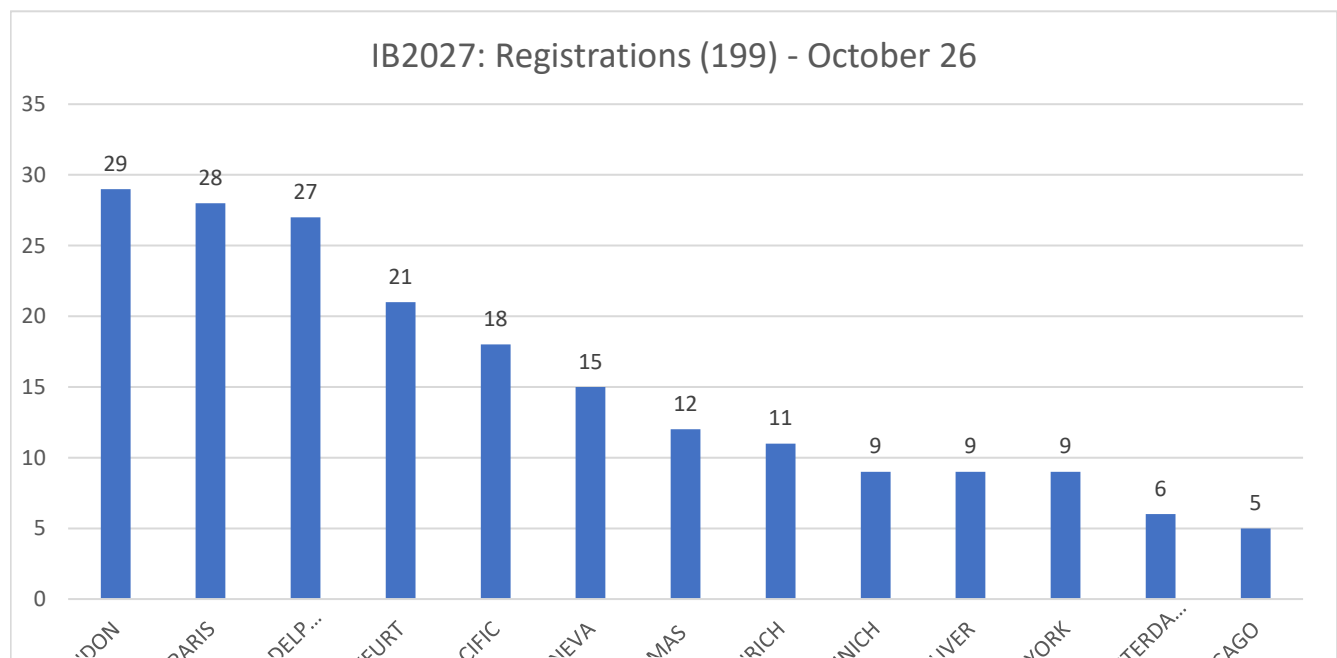

IB2027 Registrations: Status

38 registrations have been received since August. We now have **199 participants**, and there is still space for more, the maximum will be 400! The statistics show that **Team London is still in first place** with 29 registrations, followed closely by Team Paris with 28 registrations and Team Philadelphia with 27 registrations.

Important reminder: everyone staying in accommodation booked with the tourist office via the Interbourse web site must be registered, not just the lead person who made the reservation. If your registration is not yet complete, please “get your skates on” and finish it up asap. Thank-you in advance.

Please note that the **registration fee will increase by €100 on November 1st.**
